

## **Hoda Baalbaki**

Hoda Baalbaki was born in Beirut and received her degree in Fine Arts Institute from the Lebanese University in 1995. In her richly pigmented paintings, she explores the theme of self-reflection through the expression of beauty, channelling her creativity in order to depict scenes rooted at the intersection of memory and imagination. Hoda has participated in several solo and collective exhibitions in Lebanon and in the Middle East. She is a member of the “Syndicat des Artistes Plasticiens Libanais” and has won the first prize from the Hariri Graduates Association for two consecutive years in 2002 and 2003.
